

## HORSE RACE RULES

As you should recall, your entry included \$2.50 for the team horse race bet of \$10 (2.50x4). New this year so you don't have to fiddle around with the team bet Mike has entered all team bets as a \$10 bet for you team to win. If you prefer to pick your team for 2<sup>nd</sup> or 3<sup>rd</sup> you will need to change your bet before you tee off or you can email Carey at [careydubbs@comcast.net](mailto:careydubbs@comcast.net) now. Not sure why you wouldn't pick your team to win, but....

**NOTE: #1 players the team bet is your responsibility!!!** If you would like to do additional team bets or individual bets across the board you should click the following link, print the betting instruction/forms and bring your cash and completed form to the course on Dubb-It Saturday (July 24<sup>th</sup>). All bets must be placed before you tee off.

Thanks Mike Tripp for putting this together and running it.

### Important to Note:

20% of all total bets will be added to the donation fund Houston City Ball Field Light Fund.

1. Print out the betting form - there are two copies that are exactly the same listing all teams/times. You need to turn in one form with your additional team picks and/or individual bets and copy those picks onto the second copy of the form and keep for proof of your picks/bet if claiming a win.

Please ask at registration if you need help.

2. Bet in increments of \$5.00
3. Bet as much as you want on as many teams as you want as many times as you want.
4. Must pick the exact finishing spot (1st, 2nd or 3rd) to win.

Note: Please print and bring to the course - even better if you have your favorites filled out.
